

Coquitlam Ice Evolution is expanding our coaching staff!

Feel free to forward this notice on to anyone who might be interested
– thanks

The team is looking to hire someone (currently with or without coaching credentials) in order to coach (or apprentice coach) the team. A team of coaches is being considered and so please think about this opportunity if you feel like your expertise can contribute amongst a group of experts.

Coaches and former synchro skaters interested in coaching who live in the Lower Mainland/Vancouver area, or who are relocating for school or work are encouraged to contact us.

Opportunities to grow the synchro program in Coquitlam exist - please join us!

This Adult Festival team placed 5th at Nationals in 2007 and 2008.
