### COACH NEEDED FOR 2010/2011 SEASON

---

The Terrace Skating Club is now taking applications for a Club Coach for the 2010/2011 season.

The following are the qualifications the TSC is looking for in a Club Coach:

1. NCCP Level 1 or higher
2. Must be a registered/certified Skate Canada coach
3. Enthusiastic
4. Motivated
5. Organized
6. Willing to work with all of our programs: CanSkate, TotSkate, AdultSkate, Pre-Junior program, Juniors/Seniors, and CanPower
7. Be able to teach all levels of skaters from special needs to competitive levels.
8. Be able to work with other coaches, parents, volunteers and the TSC Board.

The Terrace Skating Club has around 150 skaters in the various programs. The position of Club Coach is a salaried position with remuneration based on qualifications.

We are a Northern BC community with two arenas, one of which is brand new. We offer a summer school for the last two weeks of August. Then there is ice from September to April with the possibility of an extension. The TSC has 21.5 hours of ice a week during the regular season.

The TSC usually has 3 Club coaches and at this time we have only 2. This is a wonderful opportunity for new young coaches wanting to get experience while working with veteran coaches or veteran coaches wanting to settle down in a smaller community with an established club.

To apply please submit your resume which will include references and your coaching credentials to the Terrace Skating Club. You may apply either by mail or by email at the above addresses.
