

Elkford SC – Sparwood SC

The communities of Elkford and Sparwood BC are looking for a level 1 to 3 skating coach. The Elk Valley is nestled in the Rocky Mountains in the South Eastern corner of BC. We are 15 kms from the Alberta border and approx 60 kms north of the Canada-US border. Sparwood and Elkford are approx 25 minutes apart. This area is one of the fastest growing vacations spots in BC. Our valley boasts one of the top 10 ski resorts in the world, Fernie Alpine Resort. Our largest industry is coal. Elk Valley Coal Corporation has 5 mines in the area, they are the 2nd largest producers of coal in the world. All 5 mines have an ongoing employment program.

The Elkford Skating Club requires a full time coach for their canskate and starskate programs. They have a minimum of 15 hours per week to offer and the Sparwood Skating Club requires the help of a 2nd coach to work with their Starskate skaters. The Sparwood club has at least 6 hours to offer.

We are looking for someone that would be willing to work with the learn-to-skate group right up to our starskaters. We have quite a few skaters that attend local competitions so we need someone that is willing to work on competition programs as well as dance and skills. Both clubs have very energetic and dedicated volunteers who are motivated by the skaters and their passion for the sport. If you are interested in joining our clubs please contact:
