

# CLUB MAILINGS

**PLEASE JOIN THE BC/YT SECTION IN THEIR EFFORT TO REDUCE WASTE BY SIGNING UP FOR AN ELECTRONIC CLUB MAILING.**

Thank you to the 51 clubs who have responded to the Skatebuzz survey and indicated that they would like to receive an electronic version of the club mailing. These clubs will now receive the club mailing via e-mail starting March 1, 2010. This will allow clubs to easily distribute information to their members via e-mail which will eliminate the need for paper copies. Each month's mailing can also be found on [www.skatinginbc.com](http://www.skatinginbc.com) under "clubs".

If you would like to join these clubs in receiving your club mailing electronically, please send a message to [amy@skatinginbc.com](mailto:amy@skatinginbc.com).

*Note: all clubs may occasionally receive paper mailings when information must be distributed in hard copy.*
