HOTELS

Competitions held outside the Lower Mainland.

Approximately 200 **no smoking double / double rooms** are needed to accommodate Skaters, Coaches, Team Leaders, Officials and Parents. One hotel is preferable but not always possible.

If more than one hotel has to be used, then the main hotel (Official Hotel) should have approximately 115 rooms to accommodate Skaters, Team Leaders and Officials. Approximately 85 rooms should be available at another hotel.

AIRPORT

It is very important that the host community be within one hour's drive of a major airport. Provide information regarding shuttle services between the airport and hotels.

TRANSPORTATION

The Local Organizing Committee will provide and support the cost of transporting all Officials to and from the airport or ferry to the Official Hotel. The Organizing Committee is not responsible for transporting Parents and Guests to and from the airport.

The Organizing Committee will also provide and support the cost of transporting Skaters, Officials, Coaches and Team Leaders to and from the Official Hotel(s) and arenas.

Parents and Guests should have the option to use this service and the Organizing Committee may charge them for this service.

MEALS:

The Organizing Committee is responsible for providing meals to all Officials.

If you choose to provide meals, they are to be provided at the arena as this is where Officials will spend most of their time.

The Organizing Committee is responsible for lunch, dinner, coffee breaks, snacks throughout the day and a breakfast snack. The Section will provide breakfast per diems to those officials staying at the hotel.

EXPENSES:

The Organizing Committee would be responsible for the following:

- * Transportation as listed above
- * Meals for Officials (approximately 40 people)
- * Arena Décor
- * Administration/ Data Control Room Costs (paper, photocopiers)
- * Design and production of the event program
- * Design of event logo
- * Medals
- * Registration and Accreditation
- * Facility rental
- * Plastic skirting to cover the rink boards

The BC/YT Section would be responsible for:

- * Shipping costs of music equipment and CSS judging equipment
- * Travel costs of all Officials
- * Hotel costs of all Officials
- * Distribution of the competition announcements and schedules
- * Entry registration will be done in the Section office. 20% of the entry fees will stay with the Section.

PROFIT SHARING:

An initial start up loan of \$2500.00 will be lent to the hosting committee if requested. A budget must accompany the request. If there is a loss it will be shared 50/50 by the BC/YT Section Executive and the host committee as long as the following conditions have been met:

- 1) All budgets are approved by the BC/YT Section Executive on the advice of the Competition Chairman and a monthly statement is reported.
- 2) Any socials or banquets are the responsibility of the LOC who are hosting the Championships. Therefore any social events will be removed from the final financial statement when determining a loss.

If there is a profit, 10% of the profit will be donated by the LOC to the BC/YT Section Athlete's Trust.
