ENTRIES:

1. All entries **must** be completed in **triplicate** and in the hands of the competition registrar **BEFORE MIDNIGHT** of Friday, **January 22, 2010** (closing date of entries). Eligibility for entries is governed by tests passed and age as of closing date of entries for all STARSkate Events. For Competitive Events the age shall be as of July 1, 2009 and tests as of closing date of entries.
2. Should there be only one entry in any event, the competitor **may** choose to be evaluated by one judge, skate up one level, or withdraw and the entry fee will be refunded. For Local Organizing Committee events, there is only the option of skating up or withdrawing with a refund. No evaluation will be done for this type of event. If there is a last minute withdrawal in an event that had only 2 entries, the same options apply for the remaining skater. **Note: single entries in synchro events will be given the option of skating for an "exhibition" medal.**
3. **NO COLLECT** telephone calls will be accepted.
4. Late entries may be accepted only at the discretion of the Competition Committee. If accepted, late entries will be charged a **DOUBLE REGISTRATION FEE. NOTE: A \$20.00 processing fee will be assessed for each entry if contact with the Test Chairperson is required to clarify incomplete/incorrect registration forms (including missing Planned Program Forms).**
5. For Pair and dance events, both competitors **must** complete separate entry forms in **triplicate**.
6. Competitors may skate up one category higher than they are qualified except in the Team of Four. Please be sure to note on the entry form if moving up.
7. **Entry fees shall be refunded only if the competition/event is not held or if the entry is withdrawn before the closing date of entry.**
8. Skaters may enter only one event in each discipline of singles, pairs, dance, skills and interpretive. Local Organizing Committee events may also be entered as added events in any discipline. Skaters choosing to enter more than one event do so with the understanding that there may be scheduling conflicts that are unable to be resolved.
9. Skaters **may not** enter both Interpretive and Showcase events.
10. **EVENT COMPOSITION:** In normal circumstances, each category at the competition must be held for Women and men separately. However, at the discretion of the Technical Representative/Chief Referee and the Host Committee, a decision to combine events may be made as follows:
 - a) Combine two or more categories in the same event when each category has fewer than three entries;
 - b) Combine two or more categories in the same event when one category has insufficient entries to hold the event;

The decision to combine events is at the discretion of the Technical Representative/Chief Referee and the Host Committee. In any of the above cases, categories may be combined only with full prior knowledge and agreement of all competitors affected. Note that in BC/YT Section competitions, men and women will compete against one another in Interpretive events.
11. All skaters are free to enter whatever stream they wish at all BC/YT Invitational competitions.
12. CanSkaters may only enter the CanSkate Solo event.
13. Should entries have to be limited due to time constraints, they will be limited in the Local Organizing Committee Events or the lower end STARSkate events. There will be no limiting of entries in Competitive events.

Eligibility for entries is governed by tests passed and/or age restriction as shown in the BC/YT Technical Package which is posted on the Technical page of the Skating In BC website: www.skatinginbc.com and on your club bulletin board.

 - d) The two groups' marks are combined and are divisioned into flights of no less than three (3) and no more than eight (8) skaters using the mark spread as criteria for flight placement.
 - e) Skaters will be divided into flights after a freeskate divisioning round. The marks from the divisioning round will not count towards the final standings.
 - f) The competition for final standing will consist of elements and freeskate. The marks for each will be combined to determine the final standings.

SECTION H
Scoring

1. Total Score Qualifications
 - a) Skaters must skate both Elements in Isolation/Technical and Freeskate programs to qualify for a total score in the final rounds.
 - b) Ice dancing competitors must skate both dances to qualify for a total score in both preliminary and final rounds.

2. Skaters must skate both preliminary (when needed) and final rounds to qualify in the official competition.

3. In all Special Olympics Figure skating competitions the judges' marks will be valued in the following manner:
 - a. Singles Free Style Competition.
 - 1) Elements in Isolation/Technical Program - 33.3 percent (33.3%)
 - 2) Freeskate Program - 66.7 percent (66.7%)
 - Levels 1 – 3 will receive a technical mark only for the elements portion of the competition.
 - Level 4 – 6 will receive both a technical and presentation mark for the element portion of the competition.
 - b. Pair Skating
 - 1) Technical Program - 33.3 percent (33.3%)
 - 2) Freeskate Program - 66.7 percent (66.7%)
 - c. Ice Dancing
 - 1) Dance 1 – 50 percent (50%)
 - 2) Dance 2 – 50 percent (50%)

4. Field Moves:

Field Moves are awarded marks for presentation only unless they are listed as a required element in which case they will receive a technical mark.

5. Deductions:
 - a. A deduction of .2 will occur when a skater adds an illegal move to their program. An illegal move would be an element that is not allowed at the level they are competing in. i.e. a Level 2 skater skates an element from Level 3.
 - b. A .2 deduction will occur for each additional element a skater adds to their program over the allowed number of elements.

All events will be judged according to Skate Canada protocol.
