GENERAL INFORMATION

1. Skaters may enter only one event per discipline of single, pairs, dance and interpretive. Skaters choosing to enter more than one event do so with the understanding that there may be scheduling conflicts that are unable to be resolved.
2. All categories: Should entries in an event be exceeding large, the event will be divided into smaller groups. Each group will be considered a final.
3. The skating order shall be drawn by lot and may be drawn by computer for the initial round for the first or only portion of an event. Except as noted, draws will be made in accordance with Skate Canada Rules.

4. Should there be only one entry in any event, the competitor **may** choose to be evaluated, skate up one level or withdraw and the entry fee will be refunded. If there is a last minute withdrawal in an event that had only 2 entries, the same options apply for the remaining skater. For the Local Organizing Committee event, there is only the option of skating up or withdrawing with a refund. No evaluation will be done for this type of event. **Note: single entries in synchro events will be given the option of skating for an "exhibition" medal.**
5. Note that in BC/YK Section competitions, men and women will compete together in Interpretive, Solo Dance and Elements events.

*** ONLINE REGISTRATION ***

All Vancouver Island Interclub registrations must be done [online](#).
Closing date of entries is Friday, October 11, 2013.

For pair and couple events, both competitors **must** complete separate registrations [online](#).

Using Karelo for the first time.

This is a very short and simple step that will enable you to avoid the hassle of re-entering your information for each event registration. Your contact information is never shared with third parties. Please review Karelo's "Privacy Policy" for more details.
