

ANNOUNCEMENT

2023 MOUNTAIN REGIONAL SYNCHRONIZED SKATING CHAMPIONSHIPS

Dates: January 20-22, 2023

Location: Bill Copeland Arena, 3676 Kensington Ave, Burnaby BC

In Conjunction with: Skate Canada British Columbia/Yukon Section

EVENT PHILOSOPHY

The Regional Synchronized Skating Championships are part of the Skate Canada Synchronized Skating Championship qualifying system. These events are planned, managed and executed by Skate Canada Sections on a rotational basis, in conjunction with a local volunteer organizing team.

The purpose of this competition is to provide a developmental and competitive experience for synchronized skating teams which allows them the opportunity to qualify for the Skate Canada Synchronized Skating Championships in Novice, Intermediate, and Open categories. The top team in each of the five qualifying categories in every Region may advance to the Skate Canada Synchronized Skating Championships. Additional entries are allotted to regions based on their teams' placement at last year's National Championships and regional membership sizes.

In selecting host sites for these Championships, every attempt is made to move the event across each region in a regular cycle, to balance the costs faced by participants from year to year as much as possible, and to allow synchronized skating to be presented in various communities in each section.

In addition to experiencing the challenges and personal growth involved in competing at this level, one of the features of this competitive system is to allow skaters an opportunity to experience the cultural diversity of Canada through exploration of the area holding the championships.

The focus for skaters at this event is not only on qualifying for the Skate Canada Synchronized Skating Championships, but on the whole experience: self-satisfaction in achieving competitive goals and meeting competitors from across the region and experiencing the camaraderie of traveling as part of a team.

The 2023 Mountain Regional Synchronized Skating Championships is open to all teams from the Mountain Region – British Columbia/Yukon, Alberta/NWT/Nunavut sections registered with Skate Canada and meeting the requirements outlined in the description of events to be held. There is no qualification process to enter the event, however a qualifying round may be held if entry numbers warrant.

The competition will be conducted in accordance with Skate Canada rules for qualifying Synchronized Skating events. Refer to the Skate Canada Rulebook>Competitions>11.2 Regional Synchronized Skating Championships for specific details not contained in this announcement.

The host club for this event is the Skate Canada British Columbia/Yukon Section.
