

Skate Canada: BC/YK Update Covid-19 Update #1 March 12, 2020

Skate Canada BC/YK is closely monitoring the current public health situation with the COVID-19 coronavirus. Based on current information, we are proceeding according to plan with upcoming Competitions and Assessment days at this time. We will continue to monitor the situation and seek advice and recommendations in the coming days and weeks to make sure we make informed decisions about any changes to that plan. The overriding factor in our decisions will be the safety of our skaters and everyone else attending the event.

We will communicate any changes to events as soon as we have additional information.

If you have any questions please contact the BCYK Section Office at bcyksection@skatinginbc.com
