## Skate Canada: BC/YK Update Covid-19 Update #5 March 24, 2020

### **Covid-19 Off Ice Programming Clarification**

We have received many questions regarding off ice classes taking place while Skate Canada has suspended all programming.

**Under no circumstance are any in person off ice classes permitted to take place.** Any in person off ice classes will not be covered by insurance and also goes against the Skate Canada suspension of programming.

Online or live streamed off ice programming can take place as they follow social distancing and other guidelines emphasized by the provincial and federal governments and local public health authorities
