Membership Site

Primary website for all Skate Canada stakeholders

Notice Board

Skate Canada's blog-style site where we post communications directed at our members.

eLearning

Online learning programs developed for our membership across all programs and services.

Org Management*

Self-service tools for club/skating school administrators, including skater, official, board member or on-ice volunteer registration, club/skating school membership, online test submission, etc.

Materials Catalogue*

Contains all of the physical and digital materials necessary to deliver skating programs or competitive events. The **Digital Materials Catalogue**, contains downloadable products such as resource guides, music, promotional materials, progress reports, colouring sheets, etc. The **Physical Materials Catalogue** contains physical products such as ribbons, posters, medals, badges, pins, etc.

Safe Sport

Where to go to submit coaching/accident insurance claims, incident reports or National complaints.

Info Centre

Where you go to get information on Skate Canada's rules, bylaws, policies, procedures, etc.

Rules of sport: Authoritative prescriptive statements that stipulate the requirements (what to do/what not to do) to comply with policy in specific situations

Policies: Statements adopted by Skate Canada to establish minimum requirements for adherence to laws, rules and risk management objectives. Policies are guiding principles that express the Skate Canada's culture, goals and philosophy.

Procedures: Series of steps/actions executed in a definitive order to support and implement Skate Canada policies.

Guides: Descriptions of a preferred approach (best practices) that may involve suggestions and practical directions for the effective implementation of policies or procedures. Guidelines are flexible, non-binding suggestions and approaches intended to advise on the best course of action.

Bylaws: are Skate Canada's organizational rules for the government of its members and the regulation of its affairs.

Coach Eligibility

Verify if a coach is registered for the current registration year, their NCCP qualifications as well as confirm that they are currently "In Good Standing."
