Registration Deadline: May 7, 2019

Skate Canada has recently developed a new training and promotion pathway for judges aspiring to become senior level singles judges. The goal of the new pathway is to simplify the process and remove obstacles, while maintaining quality training. The new pathway uses a blended learning approach, combining online and in-person training.

If you are a STAR qualified official who has judged for at least a year, you may wish to start the process of becoming a senior level judge. In addition, any competitive judge who has not yet achieved at least the Senior level in the discipline of singles is also welcome to attend this seminar.

Next Steps...

1. [Register for the Juvenile to Senior Invitational Seminar](#). Once registered for the seminar, candidates will receive an email from the Learning Facilitator Team with further instructions, including the deadline for the pre-work.

3. Attend the in-person, **two-day Seminar**
 - Saturday June 1st 8:30 am to 4:30 pm
