A MESSAGE FROM OUR CHAIRMAN

June 2016

What a finish to a wonderful Awards season. It is always great to celebrate the amazing volunteers we have in our section for the work they have done. Congratulations to all of our award winners that were celebrated at our Awards Banquet last month! There were so many wonderful nominees this year; it was difficult for the Awards Committee to make a decision. So to those of you who received an award this year, you were truly deserving!!

Congratulations to the inductees in to our BC/YK Skate Canada Hall of Fame this year. It is very interesting learning about the lives of people who have devoted so much time and energy to our sport. The presentation to the inductees was very well done, and added a nice

touch to our Awards Banquet. It is great to be able to celebrate our history and see returning Hall of Fame members attend this wonderful evening. The National Ice Summit, formally called the ACGM, was recently held in St. John's, Newfoundland. This is a way for Section volunteers to share and collaborate on issues affecting our sport from coast to coast. The information from the various workshops should be posted on info.skatecanada.ca very soon, so please look over the material.

Special congratulations to Gail Weber who won the Skate Canada Volunteer of Excellence Award and Marilyn Kreuzinger who won the Skate Canada Club and Recreation Coach Award of Excellence. They were both honoured in at the Skate Canada Awards Banquet.

It is always exciting to see our BC/YK Volunteers walk across the stage and receive their award.

This year Skate Canada has introduced the National Summer Series. This allows our Pre-Novice to Senior competitive skaters possibly earn a spot at Skate Canada Challenge and the opportunity to attend a National Development Camp held in Montreal this summer. We wish all of our skaters the best of luck as they aim to compete in this exciting new program.

Enjoy the summer holidays, and we'll see you at Summer Skate in Burnaby in August!

HALL OF FAME INDUCTEES

Jean Heffernan

Official

JEAN HEFFERNAN

When Jean was 16 years old she left home to attend business school in the city which started her knowledge in accounting. After having children, her husband decided to get them involved in skating. Thus starting her involvement with the skating club. She soon started volunteering in the accountants room at competitions providing results with virtually no technology. In 1960, Jean was invited to be the Chief Accountant at the World Figure Skating Championships in Vancouver which was a huge honour in the skating community.

Dr Hellmut May

Coach

DR. HELLMUT MAY

Dr. Hellmut May, born in Germany, first took to the ice at the age of 3. At the age of 14 he had qualified for the 1936 Olympic Games in Germany. After his skating career ended, he joined the famous Vienna Ice Revue before moving across the world to Canada, New Brunswick in 1954. Following an offer from a warmer climate in Vancouver, Hellmut packed up his family and set up shop in the Kerrisdale Arena where he began his dynasty of development. Hellmut coached many great skaters, including Karen Magnusson, and Toller Cranston.

Louise & Barry Soper

Athlete

LOUISE & BARRY SOPER

Louise's start in skating came as a result of her parents signing her up for skating lessons at the newly opened Capilano Winter Club in 1955. Barry's introduction to figure skating was through hockey and his need to learn how to skate. Their partnership resulted in an 8 year span where they won 6 National titles and 2 National Bronze medals. They were the first dance team to win 4 consecutive Senior National Championships and went on to represent Canada at 4 World Championships. In 1972 Louise and Barry made their breakthrough into the top 10 of the world.

Tracy Wilson

Athlete

TRACY WILSON

Tracy started skating at the age of 7 in Port Moody. She soon started travelling to the North Shore everyday to skate with dance partner Mark Stokes. This resulted in her taking a 1.5 hour bus ride to the North Shore, carrying two pairs of skates (one for figures), a scribe, and her school books. When that partnership ended, she was paired with Rob McAll, and that was the start of something great. Tracy and Rob were 7 time Canadian Ice Dance Champions, 3 time World Bronze Medalists, and in 1988 Winter Olympic Bronze Medalists.

THANK YOU MESSAGE

There are hundreds of volunteers in our organization. It was an honour and a privilege to be recognized as one of these hard

working individuals at the BC/YK Section Awards Banquet. I plan on continuing my volunteer services with Section but will definitely miss being on

the Board of Directors as, over the past 30+ years, these Board positions and the people I served with along with the Section Staff have played a major part in my life.

I would like to thank Bev, Danielle, and Lorraine for surprising me by having my husband and daughter in attendance at the banquet. Also, thank you to Ted and Tracy for the kind words they said at the presentation. What a special evening that

was for me.

I would like to let the other BC/YK volunteers know that I will be thinking of them when I again represent them at the Skate Canada Ice Summit Volunteer Appreciation Banquet.

Thanks you to everyone that sent the wonderful messages on Facebook. This is an honour I will never forget.

2016 Skate Canada Ice Summit

The 2016 Skate Canada Ice Summit, formerly the Skate Canada Annual Convention and General Meeting, was held in St. John's, Newfoundland and Labrador, May 25-28, 2016. This year along with the AGM were over 40 workshops, networking sessions, and nightly social activities to partake in. Workshops focused on programming, mental training, and skating essentials.

A number of BC Board members, Staff, Coaches, and Club members made the trip across Canada to attend the event. Skate Canada recognized 21 award winners at the Friday night gala which celebrates the accomplishments of skaters, volunteers, officials and coaches who have made significant contributions to progress the quality of skating in Canada. There were 2 awards winners from BC and we are extremely proud of both of them!

Three B.C. Skaters to go for gold AT 2017 WORLD GAMES

News from Special Olympics BC figure skating:

After their success at the 2016 Special Olympics Canada Winter Games in Newfoundland, three B.C. figure skaters and coach Elizabeth Roman have earned spots on the national team set to hit the ice at the 2017 Special Olympics World Winter Games in Austria next March.

Skaters Darlene Jakubowski of Special Olympics BC – Fort St. John, Alexander Pang of SOBC – Vancouver, and Marc Theriault of SOBC – Surrey join coach Elizabeth Roman of SOBC – Surrey to comprise four of 23 total team members from B.C. named to the Team Canada roster of 110 athletes, 35 coaches and mission staff, two team managers, and one Chef de Mission.

They will compete in Austria from March 14 to 25, 2017, and have already kicked off their journey to the World Games with their first Team Canada training camp in May.

This will be Austria's second time hosting Special Olympics World Games, as they previ-

ously hosted the global competition in 1993. The 2017 World Games will be hosted in three main locations throughout Austria: Graz, Schladming, and Ramsau. More than 3,000 athletes and 1,100 coaches from 110 countries will come together to compete in Austria, and 3,000 volunteers will help make the Games a reality.

The athletes from all over the planet will compete in nine sport disciplines; Special Olympics Team Canada athletes will compete in six of those sports, including figure skating.

"These Games will be another opportunity to show the world the capabilities and sportsmanship of our athletes, and I am excited to cheer them on as they strive for personal bests on the world stage," Special Olympics Canada CEO Sharon Bollenbach said.

Fort St. John's Jakubowski is a decorated athlete who medalled in both the 2009 and 2013 Special Olympics World Winter Games. She struck gold twice at the 2016 National Games to earn her spot on Team Canada 2017, winning gold in Singles Level 6 and in Ice Dance Level 5. Jakubowski

is a multilingual athlete with a wide variety of interests and creative pursuits. When she first joined Special Olympics in 2004, she felt "it's very exciting, and I wanted to do better."

At just 18 years old,

Vancouver's Pang has already represented Canada at two previous Special Olympics World Games – he was a member of Team Canada 2013 for figure skating and Team Canada 2015 for basketball. Pang, who has been a Special Olympics athlete for eight years, won a gold medal in his Singles Level 4 event and silver in Ice Dance Level 2 at the 2016 National Games in Newfoundland.

"I am just a kid trying to do my best," Pang says.

Theriault is one of only four Athlete Inductees in the Special Olympics BC Hall of Fame, and was the first SOBC athlete to have earned World Games medals in three different sports.

In 2001 the SOBC – Surrey athlete landed the first double jump at a World Games in Special Olympics history.

The 2016 Special Olympics Canada Games were his ninth National Games, and he skated to the top of the podium in all three of his events, winning gold in the Singles Open category, in Ice Dance Level 5, and in Level 3 Pairs with partner Tamika Broere-Shaw.

In his 21 years with Special Olympics, Theriault has become not only an accomplished athlete, but also a valued mentor to fellow athletes in sports ranging from figure skating and curling to soccer, softball, and track

Darlene Jakubowski

Alex Pang

and field. At the 2013 World Games in the Republic of Korea, Theriault defended his Level 6 world title, and as the oldest veteran on the Canadian figure skating team, he also proudly served as a mentor to teammates. "I like to see athletes achieve their goals and advance in their sports. I enjoy mentoring!" Theriault says. Roman has been a dedicated, knowledgeable, and supportive Special Olympics coach for 20 years. She is ready for her third World Games experience, having served as the Head Coach for figure skating teams at four Special Olympics Canada Winter Games and two previous Special Olympics World Games.

Her most memorable Special Olympics moment to date came at the 2005 World Games in Japan, where she experienced "the amazing way all the athletes were treated by the people of Japan, [and] watching Team Canada lead the world in manners, athletic preparation, and performance."

Please join us in cheering on our national team members in their journey to the 2017 World Games! Follow the team and learn more about Special Olympics BC:

the professional coaches on the team in one capacity or another. There are experts in the field of competitive training, jump and spin technique, harness and performance awareness. The team boasts an enthusiastic group that happily welcomes skaters of all levels. Many late entry skaters move to a dedicated skating club to further their skills, however the timing means that they often enter the sport later. BSC has designed specific sessions and selected specific coaches to help these skaters grow and excel in the sport of Figure Skating. Adults often wish to pick up or return to the beautiful sport and you will see Adults training on any given session at the club. They are welcome, feel comfortable and grow in our environment. Summer Camp begins on July 11th and runs for 5 consecutive weeks. Entry level skaters are our Future Stars at Summer Camp, skating twice a week on Tuesdays and Thursdays. All of the other programs from beginning figure skaters to

competitive skaters train daily. Skaters train both on and off the ice and work physically, mentally and playfully to grow and improve in the sport. Camp is purchased by the week. Details can be found on our website at www.skateburnaby.ca. This year Girlvana is an integral part of our off ice training program. It is amazing what Girlvana has done to take the age old practice of yoga and adapt it to preteens and teens. Seina Singleton is our resident dance expert and our Professional Coaching team leads all off ice jump technique and skating off ice sessions. Burnaby Skating Club is so happy to be expanding its doors to the many new members in the area. Figure Skating is alive and well and our club community is second to none. We emphasize TEAM and the results of working together cannot be denied.

Spending time at Summer Camp is what kids of all ages love to do and that is no different in the skating world! The Burnaby Skating Club (BSC) is hosting its Summer Camp again this year at the Moody Park Arena in New Westminster. Skaters and

Coaches alike are excited for the weeks of camp to begin. BSC's approach to working with athletes is about engaging, empowering, and inspiring them. Using a complete team approach, the Coaching Team is truly engaged with their students. Each skater at the club knows and works with each of

The Cloverdale Skating Club had a busy 2015-2016 season.

This year was our Bi annual ice show. Our “Circle of Life/Lion King” was a roaring success and all our skaters, from pre-can to senior’s, had a fantastic time in the production. A huge thank you goes to our coaches , Elise Magill, Courtney Howe-Smith and Larry Ayton for all the time and energy they put into the show and the skaters.

The club participated in the annual Christmas Parade in Cloverdale this year with many skaters turning out to march the parade route with lights and banners. Our Christmas family skate was also well attended, crafts and games in the lobby were almost as much fun as the skating and a couple of special guests made an appearance too!

Our skaters participated in the competitions in the region throughout the season with many personal best attained and many skaters attending their very first competition at Jingle Blades this year.

Two low tests were held over the winter season and all the skaters had successful tests.

We are looking forward to our summer session this year and are already planning ahead for fall 2016.

Kerrisdale Figure Skating Club

Margot Delorme, President was the recipient of the **BC/YK Section Dogwood & Volunteer Award** presented at the 2016 Section AGM. Several Board Members, Coaches and family were on hand to see her accept this award. Margot has volunteered in skating for over 50 years and been Kerrisdale President for 25 years. She was a former Competitive skater, Coach and Judge. She still skates each week helping our Ice Tykes (3 – 4 ½ year old).

Dr. Hellmut May, coach for over 50 years at Kerrisdale was Inducted as Coach into the BC/YK Section Hall of Fame at the 2016 Section AGM on 30 April. He came to Kerrisdale to start his coaching career in the Fall of 1955 and continued as Head/Master Coach until 2009. In 2010 he was inducted into the Skate Canada Hall of Fame. He coached all levels of skaters young and old regardless of their ability. He was involved in developing the 1st National Coaching Association as well as mentoring many young coaches. Dr. May coached several Kerrisdale skaters to World and Olympic levels – Faye (Strutt) Marshall & Jim Watters in Pairs, Steve Hutchison in Men's Singles and sister Ruth Hutchison in Ladies Singles. He was also the coach that got Karen Magnussen started and coached Toller Cranston.

Kerrisdale Figures Skating Club was proud to present the 2015-16 Program Assistant Award to **Adrienne Pfeifer**. She started skating at Kerrisdale at 5 years old. She is kind, patient, laughs easily and is always available to take on extra duties to help the CanSkaters or any other help needed in our club. Adrienne hopes to become a CanSkate coach when she completes her training.

Langley Skating Club

The Langley Skating Club's 2015-16 season has flown by. With such a successful season, it's hard to pin point the highlights! We had special guest coaches Lauren Couture and Caelen Dalmer come in for our synchro open houses. Denise Dalmer also joined in on one of our Saturday bootcamps. LSC skaters and coaches send out huge thank you's to the guest coaches. We also had 34 skaters at the Victoria Day competition...which was our biggest ever so far! We also had 34 skaters who all landed their axel within a week of each other!! Congratulations Mahleah, Irene & Amy. Way to go!! On top of that there were club test days with amazing results, simulation days, Skate A Thons, Stars on Ice, and a club competition.

Fraser Valley Synchro had a great 2015-16 season, with three teams competing in Elementary, Novice and Adult II. It was exciting to welcome back an Adult team to the fold - the Quasars were a crowd favourite and we're very proud of our skaters who played full out and left it all on the ice.

Our Elementary Team, Pulsars, were a sassy, fun bunch that always entertained - they said their highlight was travelling to Edmonton for Mountains. Lastly, our newly formed Novice team, the Super Novas, had an epic journey to Nationals. These girls worked their hearts out and had an incredible, life changing experience that they'll always remember. Congratulations to all our Synchro teams on a great season - looking forward to doing it again next year!!!

We would like to thank our coaches Regan Taylor, Rob Woodley, Julie Kivinen, Chrisanna Doerksen, Ellen Shin, Emily Bator, and Taylyr Dickinson for a fun and action packed season. Sadly, we had to say goodbye to Taylyr at the end of this season as she moves on to Sungod. We wish her all the best and thank her for her dedication to our club. You will be missed!

We want to congratulate all of skaters on an amazing year! Thank you to all our parents and volunteers for the support. Wishing everyone a wonderful summer of sun & skating. Looking forward to the 2016-17 season!

Sungod Skating Club

The Sungod Skating Club has been very busy this spring! Sadly, June 2016 brings an end to the unparalleled, 38 year career of our Director of Skating Operations, Norma Grant. We send Norma best wishes as she heads off to enjoy some well-earned retirement plans. Skaters, parents and coaches will miss Norma's skills, experience and upbeat personality around the rink.

The Club is pleased to welcome Keyla Ohs into her new role as the Director of Skating Operations. Keyla has a vision that will take our Club into the future and we are excited to see what she has in store for our skaters.

A number of our skaters competed in the Victoria Day Super Series Competition in Surrey and we are so proud of how well our skaters performed, a job very well done!

To celebrate the successes of our Club, Sungod hosted its annual Shining Stars Banquet on May 29th. Awards were given to many skaters for their hard work, commitment and dedication to the sport. Great food and friends made for a terrific celebration of our Skating Club accomplishments.

Sungod hosted a Rising Stars Competition in June that allowed our Junior Academy and Pre Star Skaters a fantastic chance to showcase their newly learned on ice skills. There were smiles from every competitor -and tears of joy from the parents watching as their rising stars dazzled the crowd.

Summer session is quickly upon us and skaters are all excited to spend some time in the sun, and skate their hearts out in summer training!

Skating Club

Our club and community experienced a devastating loss with the passing of Yvette Delcourt, the well-known “matriarch” of the Kelowna Skating Club. Yvette began her tenure with the KSC as a club coach in 1973, and became our Executive Director and Administrator in 1995. In her roles, she touched countless lives, including hundreds (if not thousands) of skaters, as well as numerous coaches, board members, volunteers, and skating parents. She was instrumental in our club and city’s hosting of events, including numerous

Yvette at Sun Valley, Idaho

regional and provincial seminars, several BC and Yukon Sectional Championships, the 2000 Skate Canada Tomorrow’s Champions (Junior Nationals), and the 2014 Skate Canada International. Yvette’s vision and passion for

figure skating was unmatched, and it showed in her life’s work. Aside from sharing her wisdom and expertise with our club, she also dedicated herself to various committees within the Okanagan Region and BC/YK Section. Above all, Yvette

was an incredible supporter of our skaters. She was firmly dedicated to helping create and improving opportunities for skaters. Her legacy is incredible, and she is sorely missed. Her spirit will live on in our club!

Rachel, McKenna, and Olivia at the National Development Camp

In April, three of our skaters were honoured with an invitation to participate at the Skate Canada National Development Camp. McKenna Colthorp, Olivia Gran, and Rachel Pettitt, along with Jason Mongrain, traveled to Toronto and had the opportunity to work with some of Canada’s top coaches for the 2-day camp.

KSC Alumni during Pop Concert

In May, the KSC held a Pop Concert for the first time in over 15 years – and it was long overdue! Our skaters from the Junior Academy through High Performance levels participated, featuring solos from many of our great skaters. The highlight of the well-attended event was a group number from our alumni skaters from the past 8 years!

Emma Bulawka

Our skaters also had a very successful weekend at Surrey for the Super Series VDI competition, returning with 15 medals. Special congrats to Emma Bulawka (gold, Novice Women), Daria Carr (gold, Pre-Novice Women group 1), Vienna Harwood (gold, Pre-Novice Women group 2), and Malayna Lesko (gold, Juvenile Women under 12 group 1).

We also recently held our AGM and awards night.

Congrats to this season’s award winners:
Olivia Gran – Competitive Skater of the Year
Aurora Schultz – STARSkater of the Year
Amy Richardson – Program Assistant of the Year
Kieren Podworny – CanSkater of the Year
Julianne Delaurier – Career Achievement Award

We are looking forward to the summer months – Cheers from Kelowna!

Mt Boucherie Skating Club

This spring 2 of our skaters participated in the Vancouver Island Super Series Competition in Parksville, B.C. On the left, Tianna Potts skated in her first full Pre Novice Women Competition. Tianna scored over 70 points and placed 10th out of 22 skaters! Natasha Baranyi on the right skated in Novice Women Competition debuting 2 new programs and placing 5th out of 10 Skaters. Great job girls! Our Next Competition was the Victoria Day Super Series in Surrey, B.C.

We had 4 skaters take part in this competition. The skaters not only had new programs to introduce but beautiful new dresses! Kira Koffler placed 8th in her first Juvenile Women competition earning a score of 23.79. Taylor Fleming got the Bronze medal in the Juvenile Women U-14. Tianna Potts got a Bronze medal in Pre-Novice Women and a personal best score of 70.69. Makenna Jensen skated 2 new programs and placed 12 out of 19 skaters.

We ended the season at our club with our Annual Spring Fling, it was a huge success and we sold over 200 tickets. Most of our skaters got to perform their new solos. All of our skaters have shown amazing progress over the year, and we are very proud of them all. We had group numbers from the Junior Academy, Primary, Intermediate and Senior skaters, you can see them posted on our website at: www.skatemtb.com in the videos section. The Spring Fling was our final

fundraiser for this season. We want to thank all of our coaches, parents, and volunteers for all of their hard work without them this wouldn't be such a great success. Our club continues to grow and this year we are offering our first ever summer camp for Junior Academy, Primary and Intermediate skaters. We hope you all have a wonderful summer. Good luck to everyone entering the National Summer Series from the Mount Boucherie Skating Club.

Valleyview Skating Club

It has been a busy spring season at Valleyview Skating Club and we are ready to welcome summer with more great opportunities! Although we bid farewell and hang up our skates for a few weeks we have had some great skating adventures this past spring. We are so proud of our skaters that competed in the Super Series Victoria Day Competition, good job girls: Anastasia Chupik - 9th Bronze Ladies Interpretive (first time in this category), Hannah Steed - Silver Star 2 Ladies Grp 11, Sarah Steed - FIRST COMPETITION - Bronze Star 1 Ladies Group 2, and Jana DeJong - Junior Silver Ladies – GOLD.

This year we hosted a fun In-House competition in April with members competing against each other in creative solo's and fun elements with prizes for 1st, 2nd and 3rd placements in 2 levels. It was great fun to show each other their skills and creativity.

We wrapped up our year with our Annual Year End Party at Hoodoos Golf Club. The party was a terrific celebration of skaters, coaches and parents. Congratulations to all of our award recipients and a HUGE thank you to all of our coaches and skaters for a year of hard work, dedication, and FUN!

To top it off we held our skater awards where skaters are voted by their peers in the following categories: Creative, Field Moves, Attitude, Crashes, Jumping, Spinning, Ice Dance, Ice Fit, and Daredevil! Always great to see the skaters recognize each other.

As we move ahead into summer we are now working on our dryland/IceFit, enjoying the great outdoors each week in our local parks. Each week we work on a variety of strength, agility and endurance conditioning as well as yoga, pilates, dance, jumping and of course our annual bike ride. Such fun times ahead and looking forward to our Summer Skating School. It is still not too late to sign up!

Northern BC Centre for Skating

Spring was busy with skaters preparing for the Victoria Day Super Series competition in Surrey as well as the year-end ice show in May. The show was the highlight and a great ending to a successful season. This year the show was in the name of color, where skaters showcased their talent in group and solo numbers, from junior academy to senior skaters to make it a fun, colourful and

entertaining evening.

The NBCCS hosted a successful centralized test day for our region in April, with lots of great results and accomplishments from our region's skaters.

Several of our board members attended the 2016 Skate Canada BC/YK AGM in Vancouver in May, where the NBCCS received an award for the highest increase in membership for the 2015/16 season, as well as receiving a Gold Standard in the 2015/16 Club Rankings. Thank you to our Coaches, Board of Directors and most of all our athletes for making

us shine!

With the season coming to an end the NBCCS celebrated its athletes at the year-end Awards Banquet. Skaters were honored with individualized certificates for their accomplishments and achievements of the past season.

Our NBCCS coaches Rory Allen and Andrea Ludditt had the amazing opportunity to attend the national AGM and National Coaches

Conference in May in Newfoundland. Both coaches felt very honoured to be in the presence and learning from top world and Olympic

coaches. They find the conference comes at such a great time as one season comes to a close and the planning and the preparation begins for the next one.

A huge Thank You goes to local artist Rahul Hampole, who made the second Annual Art Auction fundraiser a huge success by donating 20 of his amazing paintings and with all proceeds going to support skater development.

Moving forward to a new and successful season we wish everyone a wonderful summer.

Terrace Skating Club

Terrace Skating Club sent 7 skaters to Surrey for the Victoria Day competition in May. This was their first time attending this competition, in fact TSC hasn't attended this competition in many years. We had skaters entered in events from Intro Interpretive to Juvenile Ladies. The seven skaters competed in a total of eleven events (freestyle and interpretive). Tristen Morgan won a Gold medal in Star 4 - 13 & over.

Teysean Henry and Miley Harris received Silver evaluations for their Interpretives. Most the skaters were top 6 in their groups (and most of them had just moved up a level). It was Maya Lecuyer's first time competing in Juvenile Ladies and she landed her double lutz for the first time at competition; it was the first time she tried it at competition as well.

The club has some skaters planning to join summer skating schools in Kelowna and Kamloops this year and then in August TSC offers a summer school.

Retirement Notice ~ Jannine Ranniger

It is with mixed emotions that we announce Jannine's retirement. We are sad to see her leave our team, and recognize her dedication to the sport of figure skating. But, we are excited for her and what lays ahead. We hear from her past students about the positive impact she has had on their lives as youths and how it helped them succeed as adults. It truly takes a 'village' to raise a child!

Jannine began coaching in the fall of 1977 with the Mt. Paul FSC in Kamloops after performing with Holiday on Ice. She then went on to coach with Valleyview, Logan Lake, Vernon and Enderby skating clubs in the Okanagan Region. Returning to VI coaching at her home club the Victoria FSC and finally at the Campbell River SC for the past 24 yrs; a total of 39 yrs.

Jannine plans on spending time painting watercolour, a bit of travelling, fishing with her husband, Mark, and being able to have more time with her granddaughters Piper, Quinn and Adelaide. Of course she will be teaching them how to skate - goes without saying! She says that she will not miss the crazy coaches' schedule but does wonder if she can do a 'normal' schedule after so many years.

"Will truly miss the skaters who really love to skate. Skate your heart out ~ Live Love Skate ❤️" Jannine

We would like to recognize Jannine at a retirement party so if you would like to join us please contact Lynda at pannache@shaw.ca or 250-203-0712. Details will be sent out once plans are made.

Congratulations to Heather Robertson on passing her Gold Interpretive, and to Metea Marr on passing her Gold Freeskate. Both girls have now earned all 4 Skate Canada Gold tests! Our Starskate and Competitive skaters also were busy this spring training and competing at the Super Series Vancouver Island in Parksville in April and the Super Series Victoria Day in Surrey in May. Well done athletes! The Canskate program over spring continued to be a lot of fun for the children with many creative theme days, stickers, colouring sheets, and treasure box prizes for all.

The growth of the club at the grass roots is wonderful to see, and many of our Canskaters have moved up to our Pre Junior program! Our PA's of the month for spring were Kaylin Cound, Metea Marr and Heather Robertson...congratulations girls and thank you to all our amazing PA's as the program is a continued success with your volunteer time, energy and commitment to the program!! Over the long weekend we

had 120 members, family and friends go Stars on Ice held in Victoria. Our year end awards were held on Sunday May 15th and the afternoon was a "watermelon Wednesdays", movie night, and showcase, just to name a few :) Certificates were given to all club skaters and many

special medal awards were presented. There was a wonderful slide show of photos done at the end of the event. We look forward to our summer school beginning on July 4th which will have weeks filled with on and off ice training as well as fun events such as "watermelon Wednesdays", movie night, and showcase, just to name a few :)

Saanich Skating Club of Victoria

Skating has always been a priority in Megan's life and is her passion. Megan wishes to thank the Abbotsford Skating Club for their support and encouragement as well as her coaches, her mom, Stacy Geddes, Tami Kerr & Rob Woodley. Anika Phinney is 12 years old and loves skating! This is her first Gold test and she is so excited about it! She had set a goal to achieve this test by her 12th Birthday and though she didn't quite make it, she did only miss her mark by 2 weeks! Anika joined the Abbotsford Skating Club and began skating when she was 6 years old, there is no other place she'd rather be. She is very active within her club skating 5 days a week, volunteering her time at every club event and helping as a Program Assistant as often as she can. We want to thank her Coach Stacy Geddes for pushing her to become the best version of herself. We definitely cant imagine taking this journey with anyone else!
