

BC/YT AGM

EVENT CONFLICT POLICY

To reinforce the importance of the BC/YT Section AGM no other club or region activity (ex. Ice Show, Assessment Days, Competitions, Seminars, AGM's, and Simulations) may take place during the BC/YT Section AGM weekend (Friday & Saturday). Special permission may be considered with 2 months' notice.

There is a new policy with regards to holding the BC/YT Annual General Meetings. To help with cost savings for the Section and Clubs, it has been decided to hold the AGM in-person every other year. The alternating years will be an online event and only be the AGM. This was done to help Clubs financially plan to have someone from their Club to attend the in-person meeting weekend.

This year's Annual General Meeting will be in-person on May 3rd, 2025.

Friday

- There will be two to three workshops during the day, topics yet to be determined.
- The evening will have a meet and greet social with appetizers and beverages, along with the Athelte Support Fund (ASF) live auction and silent auction items. The theme for this evening will be the Roaring 20's.

Saturday

- The AGM will be taking place during the morning with the ASF silent auction, along with door prizes for attendees.
- The afternoon is free to kick back and relax, connect with other Club members, or go see some sights.
- The evening will be the well attended banquet with great food, awards presentations, BC/YT Hall of Fame inductions and lots of fun
