

BC/YT Section Kelowna Camp Invitation Process

Many skaters have fond memories of their time at the Kelowna Camp and this special event will continue. Skaters at the STAR 4 and higher levels will now need to meet a minimum qualifying score in order to attend the Kelowna Camp. These scores, which are listed below, are very attainable and are designed to encourage skaters to strive for excellence and improve their skills over a season. Skaters that meet or exceed the eligible score will receive an invitation from the BC/YT Section office to attend the camp. As in the past, attendees will be required to pay a fee to attend the camp. The Kelowna Camp will take place March 29-31, 2024.

We will be monitoring results from all Regional and Sectional competitions up until March 10th, 2024 at the Super Series Final competition in Kelowna, BC. Skaters that attain the set target scores will receive an invitation to attend the camp from the BC/YK Section office no later than March 17th, 2024.

The BC/YK Section reserves the right to adjust the target scores based on camp enrollment. Registration in the Kelowna Camp is based on first come first serve. We encourage skaters to respond to invitation letters as soon as possible to ensure a spot at the camp.
